

## Peel-Away Shield Guard Option for OmniHood™ Face Shield Hood

Peel Away Shield Guard Option delivers the wearer two additional sterile guard layers of unobstructed views without repetitive wiping and cleaning during critical moments in the OR.

**Designed by Surgeons for Surgeons**

### Performance and Value:

- Optional Shield Guard allows facilities to choose who really requires Peel-Away Guards, saving money to already burdened budgets.
- Self-adhesive tabs effectively secures the Shield Guard directly to the OmniHood™ Face Shield.
- Latex Free
